August 24, 1999

**TECHNICAL GUIDE NOTICE IL-123**

**Purpose:** To update Section IV of the Field Office Technical Guide (FOTG) as follows: An updated Index of Conservation Practices and to add a new standard and specification, "Shallow Water Management for Wildlife (646)."

**Action:**

- 1) **Remove** Index of Conservation Practices dated March 1998 and **Replace** with the new one dated August 1999.
- 2) **File** the new Shallow Water Management for Wildlife (646) dated August 1999 right after Sediment Basin (350).

A handwritten signature in black ink that reads "William J. Gradle". The signature is written in a cursive, flowing style.

WILLIAM J. GRADLE
