TECHNICAL GUIDE NOTICE IL-125

Purpose: To transmit revised Upland Wildlife Habitat Management (645) Standard.

Action: Section IV of the Illinois Field Office Technical Guide

- 1) **Remove** Index of Conservation Practices and **Replace** with the new one dated March 2000 and the list sorted by P-Code.
- 2) **Remove** Wildlife Upland Habitat Management (645) dated 6/92 and Wildlife Food Plots (interim) from Section IV of the FOTG. Place them with the Archived Standards.
- 3) **File** the attached Upland Wildlife Habitat Management (645) standard behind Underground Outlet (620).

Please also note that the new Index of Conservation Practices and the revised standard--Upland Habitat Management (645) are all posted on our homepage at www.il.nrcs.usda.gov.

To access these standards from the Illinois NRCS Home Page: Go to www.il.nrcs.usda.gov; Click on manuals; click on Illinois Field Office Technical Guide; click on Section IV; Click on Index of Conservation Practice Standards and then click on the name of the standard and specifications you would like to view.
