TECHNICAL GUIDE NOTICE IL-133

Purpose: To transmit revised county list of Threatened and Endangered Species, and county list of Illinois Natural Areas Inventory sites.

Background: Attached are revised lists that have been updated from a recent query of the Illinois Natural Heritage Database and the U.S. Fish and Wildlife Service.

Filing Instructions: Replace the "County List of Threatened and Endangered Species" and "County List of Illinois Natural Areas Inventory Sites" in Section I of the Field Office Technical Guide (FOTG) with the attached revised list. Place the old lists in the archived section of the FOTG.

Please review this list. If you believe there are other species that should be included, discuss it with your local IDNR Natural Heritage Biologist.

Send species to be added to a local County List along with supporting information to Gene Barickman, Champaign state office.

A handwritten signature in cursive script that reads "Robert M. Leese".
