TECHNICAL GUIDE NOTICE IL-186

Purpose: To distribute revised Rusle 2 soils records for Jersey County.

Action by Jersey, Calhoun, Greene, Macoupin, and Madison counties only: Save the "Jersey Soils.gdb" file(s) into the "C:\Program Files\USDA\Rusle2\Import" folder on any office computer that has RUSLE 2. Launch RUSLE 2. Follow the attached instructions to delete old soil data records from the RUSLE2 database. The process only needs to be performed once because the RUSLE 2 database resides on the Service Center shared drive.

Technical Guide Notice 186 is filed under Section 1, "FOTG transmittals" at the eFOTG site.
