## TECHNICAL GUIDE NOTICE IL-225

**Purpose:** To inform employees of additions to the Field Office Technical Guide (FOTG) to support the Seasonal High Tunnel interim standard and pilot program.

Illinois NRCS is participating in a national pilot program to determine the effectiveness of national interim practice standard 798 – Seasonal High Tunnel System for Crops. The interim standard and supporting documents have been added to the FOTG for use in Illinois, as described below.

The FOTG can be accessed through the Illinois home page by clicking on "FOTG" or at <http://www.nrcs.usda.gov/technical/efotg/>.

### Location Section IV.
