TECHNICAL GUIDE NOTICE IL-26

The attached material is a major revision of the Field Office Technical Guides in Illinois. All of Sec. III "Resource Use and Management Systems" is a complete revision of the old Sec. III "Land Use and Treatment Alternatives." These revisions bring our Technical Guides in line with recently revised Conservation Planning Memo - 2, dated November 20, 1974.

Please replace the following material:

1. Section I - Index to Technical Guides in Illinois.
2. Section I-A - Technical handbooks...reference material.
3. Section III - Replace complete section A through F. New dividers for this section will be issued later.
4. Section IV - Index of Standards and Specifications Applicable in Illinois.
5. Section IV - Brush Management.
6. Section IV - Conservation Cropping System.
7. Section IV - Conservation Tillage.
8. Section IV - Contour Farming.
9. Section IV - Pasture and Hayland Management.
10. Section IV - Wildlife Upland Habitat Management.
