TECHNICAL GUIDE NOTICE IL-296

Purpose: To provide notice of revisions to the Electronic Field Office Technical Guide (eFOTG). The eFOTG can be accessed through the Illinois home page by clicking on "eFOTG" or at <http://www.nrcs.usda.gov/technical/efotg/>.

Location

Summary of Changes

Section I. Reference List-Agronomy

Added National Agronomy Technical Note No. 5, Rev. 1 and National Agronomy Technical Note No. 9

Section I. Technical Notes-Agronomy

National Agronomy Technical Note No. 5, Rev.1

Pest Management in the Conservation Planning Process

National Agronomy Technical Note No. 9

Preventing or Mitigating Potential Negative Impacts of Pesticides on Pollinators Using Integrated Pest Management and Other Conservation Practices

Section IV.B. Conservation Practices

Denitrifying Bioreactor (747) Supporting Documents

- Revised Operation and Maintenance document to measure stoplog settings from the top of the structure instead of the ground surface.

Integrated Pest Management (595) Standard and Supporting Documents

- Complete revision of standard
- Added Integrated Pest Management Job Sheet 2.2 Aug. 2014, an automated work sheet and Job Sheet in excel format
- Added Statement of Work

Nutrient Management (590) Standard and Supporting Documents

- Included the word "median" where soil test P is referenced to remove confusion between the use of "average" vs. "median" soil test P values.

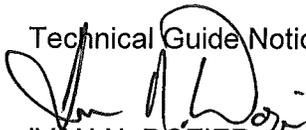

Roofs and Covers (367) Supporting Documents

- Moved Operation and Maintenance document for Floating Modular Covers from CPS 629 – Waste Treatment

Seasonal High Tunnel System for Crops (798) Job Sheet

- Revised Job Sheet to remove reporting requirements and remove any reference to approved vendors.

Technical Guide Notice 296 is filed under Section I, "FOTG transmittals" at the FOTG site.

IVAN N. DOZIER
State Conservationist
