TECHNICAL GUIDE NOTICE IL-39

This notice transmits a revised list of references to be placed in Section I-A of the field office technical guides. The revised list provides space to indicate where each reference is filed or located in the office. The filing location of some of the references has already been indicated to coincide with the Technical Reference File.

Action Required

1. Remove and destroy the list of references titled, "TECHNICAL HANDBOOKS OR MANUALS USED IN THE FIELD OFFICE AS TECHNICAL REFERENCE MATERIAL" dated January 1977 from Section I-A of the technical guide.
2. Insert the new list dated October 1979.
3. Indicate by pen and ink the filing location of those references not already designated. Changes should also be made for those already designated but will be kept in another location.
