TECHNICAL GUIDE NOTICE IL-4

The following practices are listed in the Index of Standards and Specifications Applicable in Illinois - Section IV of the work unit technical guide for which you do not as yet have standards. However, these standards are being written and will be issued as they are completed.

Commercial Fish Ponds

Dam, Multiple-purpose

Firebreak

Grasses and Legumes in Rotation

Land Clearing

Regulating Water in Drainage Systems

Stream Channel Stabilization

Terraces, Parallel (now a part of Terraces, Gradient)

Please delete from the Index of Standards and Specifications Applicable in Illinois - Section IV of the work unit technical guide the following practice names:

Fish Stream Improvement

Woodland Site Preparation

We do not plan to write standards for these two practices.

All other standards listed in the index have been written and are available upon request.
