TECHNICAL GUIDE NOTICE IL-46

This notice transmits a revised map and legend for Major Land Resource Areas and a revised index for standards and specifications.

Action Required

Remove the old Major Land Resource Area map and legend from Section I-B and insert the revised map and legend.

Remove the index of standards and specifications dated January 1979 from the front of Section IV and insert the new index. The new index includes recent new practices that have already been provided and also astericks those practices that qualify as BMP's.

The standard and specifications for Stripcropping, Field has been deleted from the list of practices applicable in Illinois. Remove this practice from Section IV.

Raymond J. Hermann, acting

David L. Schertz
State Resource Conservationist
