TECHNICAL GUIDE NOTICE-IL-5

It has become necessary to make changes in some of our Illinois Engineering Standards and Specifications. Therefore, please make the following changes in Section IV of the Technical Guide.

Section IV-A

Destroy entire standard and specification ILL-P-602-68, "Terrace, Level", and replace with revised standard and specification IL-P-602-71

Add new standard and specification IL-P-604-71, "Terrace, Parallel", following IL-P-602-71. This has already been added to Table of Contents.

Section IV-G

Destroy entire standard and specification ILL-E-8-68, "Disposal Lagoon" (Hog Waste Treatment Lagoon), and replace with revised standard and specification IL-E-8-71, "Disposal Lagoon". Delete "Hog Waste Treatment Lagoon" from Table of Contents.

Destroy entire standard and specification ILL-E-9-70, "Feedlot Waste Management" and replace with revised standard and specification IL-E-9-71, "Animal Waste Control Facilities". Delete "Feedlot Waste Management", from Table of Contents and add "Animal Waste Control Facilities" in alphabetical order.

Add new standard and specification IL-E-10-71, "Animal Waste Holding Tanks" to Technical Guide and Table of Contents after "Animal Waste Control Facilities".
