Summary of Changes

Section I. References.

Illinois Wetland Mapping Conventions

- **Illinois Wetland Mapping Conventions Amendment 1** The Illinois Wetland Mapping Conventions have been revised with Amendment 1. Amendment 1 requires the use of a specific climate station for a site when making wetland determinations and provides a new Climatic Evaluation of Precipitation spreadsheet that should be used for each climate station.

- **Wetland Mapping Conventions NRCS Illinois 1998** Includes reference to Amendment 1.

- **Illinois Climatic Evaluation of Precipitation** Revised spreadsheet form for evaluation of data from a climate station and determination of years with normal years of precipitation.

- **Illinois Climate Station Zones for Wetland Determinations** Map of Illinois Climate Station Zones. This map will also be distributed as a GIS data layer.

Technical Guide Notice **295** is filed under Section I, "FOTG transmittals" at the FOTG site.
