### INDIANA FIELD OFFICE TECHNICAL GUIDE NOTICE IN-203

This notice transmits changes to the Indiana Field Office Technical Guide (FOTG) as described below. These standards are being issued ahead of the scheduled beginning of the fiscal year date since the changes are essential for NRCS clients at this time.

1. The following revised standard(s) to Section IV of the Field Office Technical Guide (FOTG) have been updated with the following significant changes.
  - a. *340 – Cover Crop* (April 2008)  
**Significant Changes:** Species, Seeding Rates, and Seeding Dates have been updated.
2. The following new Job Sheets to Section IV of the Field Office Technical Guide (FOTG) have been added.
  - a. *340 – Cover Crop* (April 2008)
3. The following revised Technical Notes to Section I of the Field Office Technical Guide (FOTG) have been added/updated.
  - a. *Biology – Wetlands, Mosquitoes, and West Nile Virus* (April 2008)  
**Significant Changes:** none significant.
4. The updated FOTG standards Table of Contents to Section IV of the FOTG.

New and revised standards may be downloaded from the Indiana NRCS FOTG web page: <http://www.nrcs.usda.gov/technical/efotg/>. Select the Indiana page and go to the desired section. Standards are all located in Section IV along with their respective Job Sheets and other information.

If you need more information, please contact Shannon Zezula, 317-290-3200, extension 388.
