

Producer Self-Certification Guidance Sheet

Pest Management (595)

The following guidance is provided to assist producers with self-certifying practice completion.

- The Natural Resources Conservation Service (NRCS) planner or Technical Service Provider (TSP) shall design the practice according to standards and specifications and shall document information on Form KS-ECS-595, Pest Management. The NRCS planner or TSP certifies design by signing under “Technical Service Provider.”
- Form KS-ECS-595 shall be reviewed with and concurred by the producer. Producer signs under “Producer’s Statement.”
- Form KS-ECS-595 and Producer Self-Certification Guidance Sheet shall be provided to the producer.
- Once the practice is completed, the producer signs and dates under the statement “This practice has been applied as designed.”
- Form KS-ECS-595 shall be returned to the NRCS field office. No additional supporting documentation would be required from the producer. The producer will keep the following supporting documentation for the life of the contract:
 - Actual materials/control method/mitigation techniques used.
 - Application rate, method, and timing.
