

## **Producer Self-Certification Guidance Sheet**

### **Prescribed Burn (338)**

The following guidance is provided to assist producers with self-certifying practice completion.

- If prescribed burning assistance is requested, the Natural Resources Conservation Service (NRCS) planner or Technical Service Provider (TSP) shall design prescribed burns according to standards and specifications not to exceed their job approval authority. Form KS-ECS-338, Prescribed Burn, shall be used to document the prescribed burn plan.
- Form KS-ECS-338 shall be reviewed with and concurred by the producer. The producer shall sign under the “Producer’s Statement.”
- Form KS-ECS-338 and Producer Self-Certification Guidance Sheet shall be provided to the producer.
- Once the practice is completed, the producer shall provide pages 4 through 6 of Form KS-ECS-338. Pages 4 through 6 are to be completed by the designated prescribed burn fire boss.
- Producer shall sign and date under the statement “This practice has been applied as designed” on page 3 of the Form KS-ECS-338.
- Form KS-ECS-338 shall be returned to the NRCS field office. No additional supporting documentation shall be required from the producer.
