KANSAS BIOLOGY TECHNICAL NOTE KS-36

SUBJECT: ECS—Biology—Prairie-Chicken Habitat Assessment

Purpose. Provide guidance for assessing Prairie-Chicken habitat

Effective Date. Effective upon receipt

The attached Prairie-Chicken Habitat Assessments may be used as stand-alone documents or in addition to Kansas Biology Technical Note No. KS-33, Kansas Habitat Assessment Worksheets for Bobwhite Quail, Ring-Necked Pheasant, and Lesser/Greater Prairie-Chicken.

Use these assessments in current Greater/Lesser Prairie-Chicken range. A current range map is also attached.
