Additional Information:

Cost data development:

The cost data scenarios used to develop the 2011 EQIP and WHIP Payment Schedules are located in eFOTG/Section I/Cost Data. The document is titled "Cost Development Data FY 2011". This is an excel workbook containing several practice worksheet scenarios. The actual file name of the workbook is *KY\_2011\_Cost\_Development\_2\_1\_2011.xlsx*. Conservation planners are encouraged to download and consult this document in determining which practice scenario best fits the addressed resource concern.

***Note: The Index of all Scenarios worksheet is a listing of all practice scenarios within the workbook. However, not all scenarios are incorporated into a program payment schedule.***

File this notice in the front of Section I of the FOTG.

These documents are to be used for all new 2011 EQIP and WHIP rankings, and applications approved for contract development. Please direct all questions to your respective Area support staff.
