TECHNICAL GUIDE NOTICE NO. 331

This notice transmits notification of the availability of the updated CPA 52A, "Request for Cultural Resource Review" Form for Kentucky. This form will be used by NRCS personnel and partners for all ground disturbing (G) or potentially ground disturbing (PG) practices listed in the "Conservation Practice Matrix for Cultural Resource Reviews" (eFOTG/Section II/C. Cultural Resources Information 5.KY Conservation Practice Matrix).

The new form was created in Microsoft InfoPath and the program should execute itself upon selecting the file. If you receive an error, save the file to your computer, initiate the InfoPath program, and then open the file within the program.

The updated KY-CPA-52A form is posted in:

**electronic Field Office Technical Guide (eFOTG)
Section II.**

NEPA Forms

KY-CPA-52A Request for Cultural Resources Review

Document Title:

KY-CPA-52A

Filing Instructions:

REQUEST FOR CLUTURAL RESOURCE REVIEW (NRCS-KY-CPA 52a)

(This document is Freedom of Information Act exempt) v7_06

County: Date: Evaluator:

Program:

Area of Potential Effect (APE): Farm #:

Landowner/operator name(s): Tract #:

Field #(s): Ground Cover: Affected Areas:

Select up to six potential or ground disturbing practices from the list, and enter extent planned.

Practice	Units	Practice	Units
	<input type="text"/>		<input type="text"/>
	<input type="text"/>		<input type="text"/>
	<input type="text"/>		<input type="text"/>

Current Land Use: Proposed Construction Date:

Noteworthy Characteristics:

Cultural Resource Review

	Yes	No
Is owner/operator aware of any historic structural remains, artifacts etc?	<input type="radio"/>	<input type="radio"/>
Are there any structures, buildings etc within the APR that are more than 50 years old?	<input type="radio"/>	<input type="radio"/>
Are you aware of any National Register Sites in the APE?	<input type="radio"/>	<input type="radio"/>

Project Site Inspection

Date APE walked and visually searched for evidence of historic and prehistoric artifacts:

Walked by: Percent of Ground Surface Visible: %

Was anything found? yes No

Briefly describe any potential cultural resources present:

Place this sheet in the "Determinations" folder of the corresponding Customer Service Toolkit file. The ArcGIS shapefile for the conservation plan showing farm boundaries and location of the APE for all ground disturbing or potentially ground disturbing activities that require CRS review must be available in Toolkit. Notify the CRS of availability, by email.

Project approved, proceed with construction
