TECHNICAL GUIDE NOTICE NO. 379

This notice transmits a revised Cover Crop (340) practice standard as well as five new Cover Crop Jobsheets, developed to compliment the (340) Cover Crop Standard.

Conservation planners should review each and incorporate the jobsheet(s) into current and future planning efforts.

Document Titles:

KY Cover Crop (340) Standard

-This latest version includes national cover crop termination guidelines as well as KY seeding rates and dates for cover crop.

Nitrogen Scavenging Cover Crop Jobsheet (340)

Nitrogen Fixing Cover Crop Jobsheet (340)

Organic Cover Crop Jobsheet (340)

Soil Health Cover Crop Jobsheet (340)

Soil Protection Cover Crop Jobsheet (340)

Action:

Discard any previously printed versions of the standard and jobsheets. Download the new jobsheets as needed.

This document goes into effect upon receipt of this notice. The document has been posted to eFOTG in Section IV/Conservation Practices/Cover Crop (340). Previous versions have been archived to Section IV/Archive Materials-Section IV.

A handwritten signature in cursive script that reads "Clifford Thornton".

CLIFFORD THORNTON
Acting State Conservationist
