## FIELD OFFICE TECHNICAL GUIDE

### LOUISIANA NOTICE 450-266

The following conservation practice standards in Louisiana have been updated and are available in Louisiana FOTG in Section IV under the appropriate conservation practice:

- Heavy Use Area Protection (561)
- Pond (378)

Also, the following conservation practice standard engineer drawings have been added in Section IV under Heavy Use Area Protection (561) in a folder titled "EQIP special area project HUA drawings":

- Stone Heavy Use Area Protection
- Concrete Heavy Use Area Protection with Pad Only
- Concrete Heavy Use Area Protection with Storage

Questions regarding the conservation practice standards and engineer drawings should be directed to Ed Giering, State Conservation Engineer, at (318) 473-7673.
