LOUISIANA NOTICE 450-271

The purpose of this notice is to inform the NRCS Conservationists on the posting of the automated Nutrient Management jobsheet. This tool allows users preparing Nutrient Management Plans to enter information regarding the producer, soil test information, and recommendations and automatically populates both the Specification Sheet and Job Sketch Sheet. Nutrient balance calculations are solved automatically. This document is now available in Louisiana's FOTG in "Section IV. Practice Standards and Specifications" under Nutrient Management (590).

Questions regarding this document should be directed to Chris Coreil, State Agronomist at (318) 473-7805.

A handwritten signature in blue ink that reads "Kevin D. Norton".
