FIELD OFFICE TECHNICAL GUIDE

LOUISIANA NOTICE 450-215

Waste Management Technical Note Number 3, Preventing Fires in Litter Storage Structures, has been updated and is available in eFOTG in Section IV under conservation practice Waste Storage Facility (313).

This information will be useful in assisting poultry producers with managing litter piles in waste storage structures.

Questions and/or comments regarding this information should be addressed to Richard Aycock, Agronomist, at (318) 473-7805.

Donald W. Gohmert
State Conservationist
