FIELD OFFICE TECHNICAL GUIDE

LOUISIANA NOTICE 450-298

The purpose of this notice is to inform NRCS conservationists of recent changes and updates to the 670 Lighting System Improvement and 672 Building Envelope Standards.

The changes include the adoption of the 670 and 672 standards:

670 Lighting System Improvement: This standard will replace the lighting components of the 374 Farmstead Energy Improvement Conservation Practice Standard. The practice standard and statement of work are included.

672 Building Envelope Improvement: This standard will replace the insulation and building environment components of the 374 Farmstead Energy Improvement Conservation Practice Standard. The practice standard and statement of work are included.

As of October 27, 2014, these standards and statements of work will be adopted by Louisiana. These documents can be found in Section IV of eFOTG.

Questions and/or comments should be addressed to Mari Gilford, State Conservation Engineer at (318) 473-7791.

A handwritten signature in blue ink, appearing to read "W. Norton", written over a light blue horizontal line.

Acting For
Kevin D. Norton
State Conservationist
