**TECHNICAL GUIDE
NOTICE #184 (electronic)**

Purpose: To transmit information regarding the electronic NRCS Field Office Technical Guide (eFOTG).

Effective Date: This notice is effective upon receipt.

Notice of Changes:

Section I: The following Michigan Technical Note has been added:

Michigan Technical Notes, Biology, No. 12 Wildlife Habitat Evaluation.

Questions regarding the use of this technical tool should be directed to Lynn Sampson, State Biologist, at 517-324-5267.

Section III: The following new example grazing plans have been added:

Conservation Plan Examples, Grazing Plans, Introduction to Prescribed Grazing Plans 1, 2, and 3 and Prescribed Grazing Plans 1, 2, and 3.

Section IV: All Michigan Construction Specifications have been updated.

Questions regarding the use of these specifications should be directed to Steve Davis, State Conservation Engineer, at 517-324-5232.

Section IV: The following updated Michigan Conservation Practices have been placed in the eFOTG, Section IV:

Closure of Waste Impoundments (360)

Updated information is identified with vertical lines in the margins. Questions regarding the use of this standard should be directed to Steve Davis, State Conservation Engineer, at 517-324-5232.

Questions regarding changes within the eFOTG should be directed to Gary Rinkenberger, Resource Conservationist, at (517) 324-5266.

JOHN A. BRICKER
State Conservationist

DIST: All Holders of the Field Office Technical Guide

The Natural Resources Conservation Service works in partnership with the American people to conserve and sustain natural resources on private lands.
