

STATEMENT OF WORK
Cover Crop (340)
Missouri

These deliverables apply to this individual practice. For other planned practice deliverables refer to those specific Statements of Work.

DESIGN

Deliverables:

1. Design documents that demonstrate criteria in NRCS practice standard have been met and are compatible with planned and applied practices
 - a. Practice purpose(s) are identified and are compatible with the conservation plan and (where applicable) client's crop insurance.
 - b. List of required permits to be obtained by the client.
 - c. List all required and/or facilitating practices.
 - d. Practice standard criteria-related computations and analyses to develop plans and specifications including but not limited to:
 - i. Describe resource concern (s)
 - ii. Field numbers and acres
 - iii. Site and seedbed preparation
 - iv. Species selection, seeding rates, and planting dates
 - v. Cover crop termination time and method
 - vi. Grazing information of heights before and after grazing
2. Written plans and specifications shall be provided to the client that adequately describes the requirements to install the practice and obtain necessary permits. Plans and specifications shall be developed in accordance with the requirements of conservation practice standard Cover Crop (Code 340) and completed on form Agron 340 located in Appendix 1_Cover Crop340 spreadsheet.
3. Operation and maintenance plan.
4. Certification that the design meets practice standard criteria.
5. Design modifications during application as required.

INSTALLATION

Deliverables

1. Verification that client has obtained required permits and application guidance as needed.
2. Facilitate and implement required design modifications with client and original designer.
3. Advise client/NRCS on compliance issues with all federal, state, tribal, and local laws, regulations and NRCS policies during application.
4. Certification that the application process and materials meets design and permit requirements and (where applicable) client's crop insurance.

CHECK OUT

Deliverables

1. Records of application
 - a. Extent of practice units applied
 - b. Actual materials used
2. Progress reporting
