MISSOURI TECHNICAL GUIDE TRANSMITTAL NO. 432

The following revised Missouri standards and statements of work (SOW) have been posted on the Missouri eFOTG. The revised SOW is located in Section IV, under the related Conservation Practice.

*Conservation Crop Rotation (328) – standard and statement of work*

The Missouri practice standard has been revised to reflect changes in the national standard.

*Contour Buffer Strips (332) – standard and statement of work*

The Missouri practice standard has been revised to reflect changes in the national standard.

*Cross Wind Ridges (589A) – standard and statement of work*

The Missouri practice standard has been revised to reflect changes in the national standard.

*Cross Wind Trap Strips (589C) – standard and statement of work*

The Missouri practice standard has been revised to reflect changes in the national standard.

Revised standards will be archived in the appropriate section of the eFOTG under an “Archived Materials Folder”.

Field offices should use SOWs for guidance on practice design, installation and documentation. If you have any questions regarding material in this transmittal, contact Ron Miller, Agronomist, Columbia, Missouri.

A handwritten signature in black ink that reads "Roger A. Hansen".
