MISSOURI TECHNICAL GUIDE TRANSMITTAL NO. 442

The following Missouri conservation practice standard, construction specification, operation and maintenance guide and statement of work (SOW) have been posted on the Missouri eFOTG:

Water and Sediment Control Basin (638)-This revised standard now has criteria for Drop Pipe Drainage Structures typically installed in flat bottom land locations.

If you have any questions regarding the material in this transmittal, please contact Marty Comstock, Agricultural Engineer, Columbia, Missouri.

A handwritten signature in black ink that reads "Roger A. Hansen".

ROGER A. HANSEN
State Conservationist
