MISSOURI TECHNICAL GUIDE TRANSMITTAL NO. 480

The following Missouri conservation practice standards and statements of work have been posted on the Missouri eFOTG:

- *Contour Farming (330) – Standard and Statement of Work*
- *Stripcropping (585) – Standard and Statement of Work*
- *Surface Roughening (609) – Standard and Statement of Work*
- *Vegetative Barrier (601) – Standard and Statement of Work*

Minor changes in wording and formatting were made to these four revised standards to incorporate changes to the national practice standard. Please take time to review each standard and statement of work.

If you have any questions regarding the Contour Farming (340), Stripcropping (585), Surface Roughening (609) and Vegetative Barrier (601) conservation practice standards, contact Ron Miller, State Staff Agronomist, Columbia, Missouri.
