MISSOURI TECHNICAL GUIDE TRANSMITTAL NO. 496

The following Missouri Cultural Resources information has been posted on the Missouri Field Office Technical Guide (FOTG):

- *Ground Disturbing Potential for Conservation Practices*

The Ground Disturbing Potential for Conservation Practices has been updated to include the following practices:

- Air Filtration and Scrubbing (371)
- Farmstead Energy Improvement (374)
- Herbaceous Weed Control (315)

If you have any questions regarding the Ground Breaking Disturbing Potential for Conservation Practices, please contact Lydia VerBrugge, Cultural Resources Coordinator, State Office, Columbia, Missouri.

A handwritten signature in black ink that reads "J.R. Flores". The signature is fluid and cursive, with a long horizontal stroke at the end.
