MISSOURI TECHNICAL GUIDE TRANSMITTAL NO. 540

The following Missouri Conservation Practice Standard, Specification, and Statement of Work (SOW) has been posted on the Missouri Field Office Technical Guide under Section IV > Conservation Practices:

- *Vertical Drain (630) - Standard, Specification, and SOW*
This state revision includes minor changes to the wording of the Definition and Criteria Statements of the standard, and incorporates changes from the national standard.

If you have any questions regarding the material in this transmittal, please contact Joey Rosenfelder, Geologist, Columbia, Missouri.

A handwritten signature in blue ink, appearing to read "J.R. Flores".

J.R. Flores
State Conservationist
