MISSOURI TECHNICAL GUIDE TRANSMITTAL NO. 552

The following Missouri Conservation Practice Standards, Statements of Work (SOW), and Job Sheet have been posted on the Missouri Field Office Technical Guide under Section IV > Conservation Practices:

- *Conservation Crop Rotation (328)* – Standard and SOW
Minor changes have been made to be consistent with recent national standard. Slight changes were also made to the purposes.
- *High Tunnel System (325)* – Standard, SOW, and Practice Standard Overview
This was an interim standard and is now a national standard.
- *Conservation Crop Rotation (JS-MO328)* – Job Sheet
Job sheet was added for technical information and practice implementation and certification.

If you have any questions regarding the material in this transmittal, please contact Jodie Reisner, State Conservation Agronomist, Columbia, Missouri.
