

USDA NRCS Maryland/Delaware Wetland Conservation Compliance Team Roster

The employees in the table below are members of the Maryland/Delaware Wetland Conservation Compliance (WCC) Team. The employees on this roster have responsibility in Maryland and Delaware for conducting certified wetland determinations. The standard operating procedure and explanation of the team's responsibilities are described in the state amendment to the National Food Security Act Manual.

This list may be updated as necessary with the approval of the State Resource Conservationists in Delaware and Maryland.
