MARYLAND TECHNICAL GUIDE

CHANGE NOTICE NO. 58

Purpose. To distribute one revised conservation practice standard and two new standard drawings. A revised List of Conservation Practices and a Change Notice Register are also attached.

Effective Date. Upon receipt.

Explanation. The following Maryland conservation practice standard is issued as final:

- Sinkhole and Sinkhole Area Treatment, Code 725.

The following drawings for Sinkhole and Sinkhole Area Treatment are available on the Maryland NRCS web site at <http://www.md.nrcs.usda.gov/technical/eng/designs.html>:

- 725-A-Inverted Filter 1;
- 725-B-Inverted Filter 2.

Filing Instructions.

Section I:

- File this Change Notice and the new Change Notice Register in the front of Section I of the Field Office Technical Guide. Discard the old Change Notice Register.

Section IV:

- File the new List of Conservation Practice Standards in the front of Section IV-Practice Standards of the Field Office Technical Guide. Discard the old list.
- File the new standard for Code 725 in Section IV.
- Remove the old standard for Code 725 (previously numbered as Code 234-I) and discard it.
- Note: You are no longer required to maintain Section IV-Archived Practices. Archived paper copies will be maintained at the State Office. We also plan to make electronic copies of archived standards available to you on-line in case you need them.

Distribution. One copy of the standard and each standard drawing is being sent to each office. The standard and standard drawings (.pdf format) will be posted on the Internet at the following address: <http://www.nrcs.usda.gov/technical/efotg>. Click on Maryland, and go to Section IV. Then click on the appropriate standard in Section IV-A.

If you have any questions concerning this conservation practice standard and associated materials for Code 725, you may call Warren Johnson at 301-694-6822.
