

April 24, 2012

Technical Guide Notice Number 12-05

Important: Toolkit users must “Reload Domain Data” at this time insure the Toolkit user has updated practices and narratives from Conservation Practice Standards. Complete the Reload Domain Data by clicking on the command located under “File” on the main toolbar in Customer Service Toolkit, on each computer running Toolkit.

Please note the following revisions are hereby made to the North Carolina Field Office Technical Guide.

Only FOTG Sections I and IV are required to be maintained in hardcopy format at field offices (NC supplement G.M. 120, Part 403). Any FOTG sections that are printed and maintained for office use must be kept up-to-date with the latest releases, versions, and supplements. Obtain any needed FOTG documents for printing from NRCS eFOTG website:

http://efotg.sc.egov.usda.gov/efotg_locator.aspx?map .
