Natural Resources Conservation Service 4405 Bland Road, Suite 205 Raleigh, NC 27609

## Section V

### Note the following additions in Section V of the eFOTG

- NC Conservation Practice Physical Effects

**Note:**

The updated Job Sheet for Pest Management is now available on the eFOTG under the Pest Management Standard. Also, the updated Job Sheet for Nutrient Management-Inorganic is now available on the eFOTG under the Nutrient Management Standard.

Per North Carolina supplement to the General Manual 120, Part 403 only FOTG Sections I and IV are required to be maintained in hardcopy format. If additional directives are printed and maintained for office use, these files must be updated with the latest releases, versions, and supplements.

A handwritten signature in black ink that reads "Lane C. Price".
