Technical Guide Notice Number 04-01

NOTE: The first two numbers on the technical guide notice represent the fiscal year (2004). The last two numbers represent the notice number for the year.

Please take the following action in the Technical Guide:

Section IV

File the following at the front of the Section. Discard old version.

- Conservation Practice Index - Standards and Specifications

Print the following standard from the eFOTG and file alphabetically. Discard old standard.

- Nutrient Management (590)

Technical Reference File

File the following behind the Plant Materials divider.

- Nonnative Invasive Plants of Southern Forests

The Job Sheets for Nutrient Management, NCANAT (PLAT and NLEW) Field Data Collection Worksheet, and NCANAT Instructions are now available on the eFOTG under the Nutrient Management Standard in Section IV.

The NCANAT software CD, Installation Instructions, and Technical Reference are being distributed separate from the Technical Guide Notice.
