TECHNICAL GUIDE NOTICE ND-129

This notice transmits revisions to the Field Office Technical Guide (FOTG) as follows:

Section III:

In reference to National Bulletin 300-12-7, the planning criteria documents for the following have been placed in FOTG - Section III – Conservation Activity Plans (CAP):

- 102 – Comprehensive Nutrient Management Plan Criteria
- 104 – Nutrient Management Plan Criteria
- 106 – Forest Management Plan Criteria
- 114 – Integrated Pest Management Plan Criteria
- 118 – Irrigation Water Management Plan Criteria
- 122 – Agriculture Energy Management Plan, Headquarters Criteria
- 124 – Agriculture Energy Management Plan, Landscape Criteria
- 130 – Drainage Water Management Plan Criteria
- 138 – Conservation Plan Supporting Organic Transition Plan Criteria
- 150 – Spill Prevention, Control, and Countermeasure Plan Criteria

All CAP planning will be completed by Technical Service Providers (TSPs).

Please direct questions to Ted Alme at 701-530-2079 or ted.alme@nd.usda.gov.
