TECHNICAL GUIDE NOTICE ND-130

This notice announces the following revisions or additions to the Field Office Technical Guide (FOTG):

Section III

The 122 – Agriculture Energy Management Plan, Headquarters Checklist contains new FY12 criteria for the 122 Headquarters AgEMP Conservation Activity Plan.

The purpose of this checklist is to provide guidance for contents that need to be addressed or included in an Agricultural Energy Management Plan, Headquarters 122 (AgEMP). This checklist is required for use by NRCS and Technical Service Providers. Please refer to the AgEMP 122 Criteria for specific elements to be addressed (issued in National Bulletin 450-12-2).

Reminder NOTE: ALL AgEMP sample plans from individuals not yet certified and listed on Tech Reg must be reviewed by NRCS National Headquarters. Please follow directions on this checklist form for sample plan submission.

Questions regarding the checklist may be directed to Craig Stange at craig.stange@nd.usda.gov - (701) 530-2082 (State Office) / (701) 250-4330 (PMC) or Jill Helmuth at jill.helmuth@nd.usda.gov - (701) 642-5997.
