Technical Guide Notice ND-22

This Notice announces the transfer of FOTG Section IV from the ND-NRCS Homepage to the eFOTG Web site, effective immediately. This Notice also announces conservation practice standards that have been revised or added to the Field Office Technical Guide in North Dakota. Practice standards being **added** to the ND-FOTG for the first time are so noted.

- Animal Trails and Walkways – 575, **added**
- Brush Management – 314
- Commercial Fish Ponds – 397
- Conservation Cover - 327
- Conservation Crop Rotation – 328
- Contour Buffer Strips – 332
- Contour Farming – 330
- Cover Crop - 340
- Critical Area Planting – 342
- Cross Wind Ridges – 589A
- Cross Wind Stripcropping – 589B
- Cross Wind Trap Strips – 589C
- Dam, Diversion – 348
- Diversion – 362
- Drainage Water Management – 554
- Field Border - 386
- Firebreak – 394
- Fish Raceway or Tank – 398
- Fishpond Management – 399
- Forest Stand Improvement – 666
- Grazing Land Mechanical Treatment – 548
- Hedgerow Planting - 422
- Herbaceous Wind Barriers - 603
- Hillside Ditch – 423, **added**
- Irrigation System Sprinkler – 442
- Irrigation System, Tailwater Recovery – 447
- Mole Drain – 482, **added**
- Obstruction Removal – 500
- Pasture and Hay Planting - 512
- Pest Management – 595
- Range Planting - 550
- Recreation Land Grading and Shaping – 566
- Recreation Trails and Walkways – 568
- Residue Management, Mulch Till – 329B
- Residue Management, No-Till, Strip Till – 329A
- Residue Management, Ridge Till – 329C
- Residue Management, Seasonal – 344

Riparian Forest Buffer – 391
Riparian Herbaceous Cover – 390
Rock Barrier – 555, **added**
Subsurface Drain – 606
Surface Drain Field Ditch – 607
Toxic Salt Reduction – 610
Tree/Shrub Establishment – 612
Underground Outlet – 620
Upland Wildlife Habitat Management – 645
Waste Utilization – 633
Wastewater Treatment Strip – 635, **added**
Water & Sediment Control Basin – 638
Water Harvesting Catchment – 636, **added**
Wetland Creation – 658, **added**
Wetland Restoration – 657
Wetland Wildlife Habitat Management – 644
Wildlife Watering Facility - 648
Windbreak/Shelterbelt Establishment – 380
Windbreak/Shelterbelt Renovation - 650

Questions concerning these revisions or additions should be directed to the State Office technical specialist assigned leadership for the conservation practice. Questions concerning eFOTG use should be directed to Mark Anderson at mark.anderson@nd.usda.gov or phone 701-530-2039.
