TECHNICAL GUIDE NOTICE ND-61

This notice transmits guidance on the report used in eFOTG to develop crop yields.

To generate crop yield reports in eFOTG, access the web link in Section II - Soil Information – (county name) - Map Unit Non-Irrigated Yields (1-5 crops). This will link you directly to the Soil Data Mart web site.

At the Soil Data Mart, select the map unit(s) symbol to be used. Select Non-Irrigated Yields by Map Unit from the Report Descriptions drop down list. Select Generate Report, then select the crop(s) (limit of 5) you wish to view and Generate Report.

Questions may be directed to Steve Sieler, State Liaison Soil Scientist, at steve.sielers@nd.usda.gov or call (701) 530-2017.
