### Technical Guide Notice ND-72

This notice announces revisions to the North Dakota Irrigation Guide as follows:

- The cover page reflects a revision date of March, 2005.
- *Forward* states that the guide was developed for sprinkler irrigation. Additionally, a web site was added to increase accessibility. <http://www.nrcs.usda.gov/technical/efotg/>
- *Table of Contents* shows changes and additions to Chapters 1 and 2.
- Chapter 1 updates the *Glossary*.
- Chapter 2, *Soils*, updates soil interpretations used in irrigation design and management. *Irrigation Group* criteria are included in this revision.
- Irrigation groups have been assigned to all soil phases by map unit by county. \*This report can be accessed at <http://www.nrcs.usda.gov/technical/efotg/> on the Electronic Field Office Technical Guide (eFOTG), in Section II, Soil Information, County Name and Irrigation Groups.

\* At this time, 22 counties have the report available. The remainder of the counties will be scheduled for completion.
