### **TECHNICAL GUIDE NOTICE ND-79**

This notice announces updates to the Field Office Technical Guide (FOTG) as follows:

- Conservation Security Program (CSP) cost lists for the Apple Creek Long Lake, Painted Woods\_Square Butte, and Beaver Creek watersheds have been added to Section I - Cost Data - CSP Cost Lists subfolder. Instructions for uploading the cost lists are located in Section I - Cost Data - *Instructions for uploading cost lists* subfolder.
- The North Dakota Pest Management Mitigation Effectiveness Guide has been posted in FOTG - Section I – Reference Subjects – Agronomy – Pest Management subfolder and in Section IV – Conservation Practices – Pest Management (595) subfolder.

Questions regarding cost list data may be directed to Stuart Blotter, Resource Conservationist, at (701) 530-2034 or [stuart.blotter@nd.usda.gov](mailto:stuart.blotter@nd.usda.gov). Questions regarding the North Dakota Pest Management Mitigation Effectiveness Guide may be directed to Alan Ness, Agronomist, at (701) 530-2079 or [alan.ness@nd.usda.gov](mailto:alan.ness@nd.usda.gov).
