

# NORTH DAKOTA FIELD OFFICE TECHNICAL GUIDE NOTICE REGISTER

NOTICE NUMBER	DATE	SUBJECT
<a href="#"><u>ND-150</u></a>	12/12/14	Section I – updated links to ND Custom Rates and added NDSU Farm Management Publications.
<a href="#"><u>ND-149</u></a>	11/19/14	Section II – updates to Interpretive Tables and Productivity Index Reports; Section III FY15 CAP Guidance s and Plan CAP Templates.
<a href="#"><u>ND-148</u></a>	10/20/14	Announced the Economics and Ag Statistics for 2014
<a href="#"><u>ND-147</u></a>	4/9/14	Section I – Addition of Technical Notes section; Tech Notes, Technical Notes No. 1&2; revision to Herbaceous Vegetation Establishment Guide. Section II – changes to Expected 20-Year Tree Heights; Section IV –adopted National Standards on 314, 329, 340, 342, 345, 380, 382, 386, 390, 391, 393, 394, 484, 511, 512, 528, 548, 550, 585, 610, 612, 644, 645, 647, 650, 666.
<a href="#"><u>ND-146</u></a>	2/19/14	Section I – Announced Ag Statistics for 2013; Section II – updates to Interpretive Tables and Productivity Index for state.
<a href="#"><u>ND-145</u></a>	1/14/14	Section I – addition of EQIP 2014 cost list and revised ND Wetland Restoration Workbook; Section II – updated Field Determinaiton of Soil Component Conservation Tree and Shrub Groups document removing reference to CTSG soils 4.4C and 4CK; Section IV – Removed engineering practices Terrace (600), Spoil “Spreading (572) and Waste Treatment (629).
<a href="#"><u>ND-144</u></a>	12/2/13	Section III – Guidance CAPs and Plan CAP Templates.
<a href="#"><u>ND-143</u></a>	9/20/13	Section III – updated National and State Resource Concerns and Conservation Planning document.
<a href="#"><u>ND-142</u></a>	8/16/13	Sections I and II – Updated/revised Expected 20-Year Tree Height and added Summary of Changes from WSGs to CTSGs.
<a href="#"><u>ND-141</u></a>	4/18/13	Section I – addition of Soil Survey Interpretive Ratings for Subsurface Water Management brochure.
<a href="#"><u>ND-140</u></a>	4/4/13	Section II – Correction to frozen HEL list – Richland and national Grassland Area of Ransom County (Hs-Helca-Maddock fine sandy loams inadvertently omitted and has now been updated).
<a href="#"><u>ND-139</u></a>	3/29/13	Section I – Herbaceous Vegetation Establishment Guide change on variety beardless wildrye. Section IV – Updates to conservation practices 382, 550, 512 and addition of conservation practice 315.
<a href="#"><u>ND-138</u></a>	2/11/13	Section II – Addition of conservation practice standards and statement of work for Interim Denitrifying Bioreactor 747 and Farmstead Energy Improvement 374. Revision of Job Sheet 25 – Fence Protector.
<a href="#"><u>ND-137</u></a>	1/31/13	Section I: Reformatted Interpretive Rating Tables for the 40 counties east of the Missouri River; Announced the Economics and Ag Statistics for 2012. Section IV announced updates to Herbaceous Vegetative Establishment Guide and the Forage and Biomass Planting (512) Specification.
<a href="#"><u>ND-136</u></a>	12/12/12	Section II: ESD for 53B, 54, 55B, 56, and 58D have been linked to ESIS; Section III CPAs and CPA templates have been updated and Resource Concerns and Planning Criteria have been restructured.
<a href="#"><u>ND-135</u></a>	10/10/12	Section II: Interpretive tables and productivity index with soybean adjustment have been made to 10 counties
<a href="#"><u>ND 134</u></a>	7/13/12	Sections I & IV: Added <i>After the Flood</i> series to the Riparian documents. Section IV – updated nine Engineering Conservation Practices.
<a href="#"><u>ND-133</u></a>	6/29/12	Section I: Guidance regarding acceptable seeding windows for pollinator mixes has been addressed in the HVEG. Section II: Updated rangeland health reference worksheets and ecological site descriptions linked to ESIS or available in pdf format. Interpretive tables and productivity index with soybean adjustment have been made to 28 counties.
<a href="#"><u>ND - 132</u></a>	4/9/12	Section III: Conservation Systems and Conservation System Guides have been removed. Section IV: The following National Standards have been adopted by North Dakota and posted to FOTG: 327, 328, 329, 340, 344, 345, 449, 590, 595, 601, 603, 633 and SOW – 633.
<a href="#"><u>ND- 131</u></a>	1/22/12	Section I: Updates to Wildlife Habitat EvaluationGuide (WHEG), Herbaceous Vegetation Establishment Guide (HVEG) Section III: Table 1 – National and State Resource Concerns and Quality Criteria has been revised. Noted Conservation Systems

# NORTH DAKOTA FIELD OFFICE TECHNICAL GUIDE NOTICE REGISTER

NOTICE NUMBER	DATE	SUBJECT
		Guides (CSGs) will be decommissioned. Section IV: 561 and 660 Standards have been updated. 342, 390, 512, 338,528 have Specification changes. 338, 528 Fact Sheets and Forms also ND-CPA-338 and ND-CPA-9 have been changed.
<a href="#">ND-130</a>	1/5/12	Section III - The 122 – Agriculture Energy Management Plan, Headquarters Checklist contains new FY12 criteria for the 122 Headquarters AgEMP Conservation Activity Plan.
<a href="#">ND-129</a>	11/29/11	Section III - In reference to National Bulletin 300-12-7, the planning criteria documents for the following have been placed in FOTG - Section III – Conservation Activity Plans (CAP): 102, 104, 106, 114, 118, 122, 124, 130, 138, 150.
<a href="#">ND-128</a>	10/28/11	Section I – Updates the List of Economics and Agricultural Statistics References to include the North Dakota Agricultural, Ag Statistics No. 80, July 2011 edition.
<a href="#">ND-127</a>	4/15/11	Section I – ND Lateral Effect Policy, Seeding Pollinator Plots, and Field Determination of Soil Component Windbreak Suitability Groups. Section IV – 710 SOW, Specification revisions for 342, 382, 512.
<a href="#">ND-126</a>	3/18/11	Section I – Herbaceous Vegetation Establishment Guide (HEVG) and Tree Care & Management seeding rates and ESDs have been revised. Section III - SPCC has been renamed. Section IV Range Planting – 550 and ND-CPA-9 have new seeding rates, 3 conservation practice standards have been updated, 1 Fact Sheet has been revised and 1 Fact Sheet has been added.
<a href="#">ND-125</a>	2/17/11	Section I – Cost Data – 2011 and Cost Data _ Guidelines for Cost Share on Engineering Practice Components – FY 2011 have been posted and updates to 15 conservation practice standards and a worksheet for Estimating the Volume of a Manure Pile.
<a href="#">ND-124</a>	11/16/10	Section IV – Conservation Practices – added Agricultural Secondary Containment Facility (710) (Interim) Standard and updated Fence (382) Specification. Added ND Cons. Job Sheets 25, 26, and 27.
<a href="#">ND-123</a>	9/30/10	Section I – Reference Subjects – Economics and Agricultural Statistics References link has been updated to access the Ag Statistics 2010 and economic and agricultural links have been added to the reference sheet.
<a href="#">ND-122</a>	5/28/10	Transmits revisions to <b>FOTG – Section I:</b> Added “Guideline for Cost Share on Engineering Practice Components – FY2010”; – <b>Section I- Reference Subjects</b> revised “Herbaceous Vegetation Establishment Guide” and posted it as a stand-alone document; added a TSP section on roles and responsibilities for engineering technical assistance to USDA program participants ; added links in Biology and Water Quality, Quantity, and Local Resources; and added “Planting Trees in North Dakota Prairies” and “Additions, Deletions, and Modifications to Approved Species List in ND” revised “Tree and Shrub Characteristics “ in Windbreaks and Woodland subsection <b>Section II:</b> Added a link to AgACIS in climatic data and revised “Expected 20-Year Tree Heights and Windbreak Suitability Group Descriptions” in Windbreaks and Forest subfolder. <b>Section IV:</b> noted that DIGS will now be called Specifications and all DIGS will be renamed over the next 2-months. Additions or revisions to the following conservation practices: 512- Pasture and Hayland Planting, 528 – Prescribed Grazing; 548 – Grazing Land Mechanical Treatment; 645 – Upland Wildlife Habitat Management; 798 – Seasonal High Tunnel Systems for Crops; ND-516 – Pipeline; ND-378 – Pond (Excavated) ND-574 – Spring Development; ND-614 – Watering Facility; ND-1 – Grassed Waterway (412); ND2- Terrace (600); ND-3Diversion (362); ND-4 – Water and Sediment Control Basin (638) and ND-9 – Pond (Embankment) 378. In addition ND-ENG-003 – 5% Engineering Spot Check Record and Report has been added and ND-CPA-9, Planning or Data Sheet for Grass and/or Legume Seeding formatting and the species list revised. “Damaging Our Trees Fact Sheet” has been added to Section IV.
<a href="#">ND-121</a>	10/16/08	Transmits Cost Data – 2009 and a Pollinators Fact Sheet to Section I; introduces name changes to conservation practice codes 472 and 635 and makes clarification/revisions to practice codes 595 and 656. Thirty-nine conservation practices seldom used in ND have been removed from FOTG.
<a href="#">ND-120</a>	9/18/08	Transmits the addition of links to Section I – Laws (Drainage of Ponds, Sloughs, Lakes, or Sheetwater, and of Meandered Lakes); Section I – Reference Subjects – Wetlands (Stream Water Surface Profile Modification for Wetland Restoration) and Section I –

# NORTH DAKOTA FIELD OFFICE TECHNICAL GUIDE NOTICE REGISTER

NOTICE NUMBER	DATE	SUBJECT
		Reference Subjects – Economics and Agricultural Statistics References has been updated to include links for Ag Statistics 2008 and North Dakota Department of Agriculture’s Agriculture Brochures from 1998 to the present.
<a href="#">ND-119</a>	8/21/08	Transmits Minot, New Rockford, and Fessenden FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
<a href="#">ND-118</a>	5/1340 3/08	Transmits updated Herbaceous Veg. Est. Guide, Version 1.6 of the Soil Field Guide for Identifying Ecological Sites; corrected Windloss Worksheets for some Area I counties; Zoning Regulations Affecting Conservation Practices – Golden Valley, Emerald Ash Borer Fact Sheet and WHIP Cost list for Section I. It also transmits additions/revisions/updates to Conservation Practices 309, 322, 330, 340, 395, 399, 447, 449, 512, 528, 648. In additions, there are additions, updates to the Fact Sheet and Forms subfolders.
<a href="#">ND-117</a>	4/23/08	Transmits LaMoure, Minnewaukan, and Rugby FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
<a href="#">ND-116</a>	1/25/08	Adds ENG cost share guidelines, ND Custom Rate Stat. links, Key Tribal Policies, Procedures, & Partnership links and a Fact Sheet to Section I; notes streamlined site arrangement to Section II; and addresses information concerning conservation practice numbers 380, 516, 548, and 648.
<a href="#">ND-115</a>	1/15/08	Transmits Ellendale and Linton FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
<a href="#">ND-114</a>	11/29/07	Transmits 2008 Cost Lists for CRP and WRP and EQIP Special Initiative 2008 Payment Schedule for Benson, Cass, Cavalier, Dickey, Eddy, Foster, Grand Forks, LaMoure, Pembina, Ramsey, Richland, Rolette, Stutsman, Towner, Traill, Walsh, and Wells counties.
<a href="#">ND-113</a>	11/07/07	Transmits Cost Data—2008 and a link to the Ntl. NM Technical Note No.6—Nitrogen Efficiency and Management to Sections I and updates the Wetland Enhancement—659 Standard and Fact Sheet in Section IV.
<a href="#">ND-112</a>	10/12/07	Transmits FY2008 cost lists for EQIP and EQIP-AFO, give filing instructions for 2007 ND Custom Rates – Part I – Early Season, and updates access to county windbreak suitability groups (WSG).
<a href="#">ND-111</a>	10/2/07	Transmits updates to <b>Section I</b> – Cost Data Irrigation Planning Workbooks, adds links for ND Custom Rates and ND Crop Budgets, Economics and Ag Statistics, Tree Care and Management document and adds Headquarters Management Fact Sheet; <b>Section II</b> – reformatted and posted Frozen HEL lists; <b>Section IV</b> – Removed conservation practice Fishpond Management – 399, adopted Ntl. Standard and SOW for Fish Passage – 396, and updated Fence – 382 DIG, Job Sheet 23, and ND-CPA-2.
<a href="#">ND-110</a>	9/24/07	Transmits Bottineau specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List – Reference Subjects – Water Quality, Quantity, Local Resources subfolder. Change Item #16 on the References for Water Quality, Quantity, and Local Resources document. Adds new excel spreadsheet, Wellhead Protection Program Locations, located in the same subfolder.
<a href="#">ND-109</a>	7/15/07	Announces updated LaMoure County Irrigation Workbook in Section I – Cost Data – EQIP Irrigation subfolder; implementation of Soils Information document with links to SDM and WSS in Section II – Soils Information subfolder; addition of conservation practices 521D – Pond Sealing or Lining, Compacted Clay Treatment and 632 – Solid Liquid Waste Separation Facility in Section IV – Conservation Practices subfolder
<a href="#">ND-108</a>	6/20/07	Announces the addition of Practice Code 100, Comprehensive Nutrient Management Plan to Section I, Cost Data subfolder.
<a href="#">ND-107</a>	6/12/07	Announces the addition of ND Scale Insects <i>and</i> Herbicide Weed Control Fact Sheets to Sections I and IV. Transmits Section II - Interpretive Tables as excel spreadsheets. Section IV – Practices 543-Land Reconstruction, Abandoned Mined Land and 544 – Land Reconstruction, Currently Mined Land have been revised and renamed. A correction was made to Table 4, Minimum Spillway Capacity, Conservation Standard Practice 378, Pond (Excavated) and addition of forn ND-CPA-647.
<a href="#">ND-106</a>	4/27/07	Transmits Center, Forman, and Jamestown FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.

# NORTH DAKOTA FIELD OFFICE TECHNICAL GUIDE NOTICE REGISTER

NOTICE NUMBER	DATE	SUBJECT
<a href="#">ND-105</a>	4/12/07	Announces additions or revisions to FOTG as follows: <b>Section I</b> - Atmosphere subfolder with a Web link to "The Carbon Cycle" <b>Section II</b> – Climatic Data – Remote Sensing Climatic Analysis subfolder with a map of the 128 cooperating weather stations and climatic data from each of the weather stations <i>and</i> Windbreaks and Forest subfolder, the document titled "Expected 20-Year Tree Heights and Windbreak Suitability Group Descriptions" was listed in eFOTG as "Expected 20-Year Tree Heights." The full title of the document is now listed in eFOTG to help users locate windbreak suitability information. The document itself has not been changed. <b>Section IV</b> – Conservation Practices – Prescribed Grazing subfolder. Also contains instructions on an ArcGIS map insertion into Form ND-CPA-9.
<a href="#">ND-104</a>	4/01/07	Announces updates and revisions to FOTG – Section II – Soil Information county reports. Interpretive Report and Potential Cropland & Limitations and Hazard reports updated to new PDF files. Generated Non-Technical Descriptions and Prime Farmland reports were moved to Web Soil Survey.
<a href="#">ND-103</a>	3/19/07	Transmits Killdeer FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
<a href="#">ND-102</a>	1/31/07	Announces revisions to FOTG, Section I, Cost Data, WHIP cost list.
<a href="#">ND-101</a>	12/01/06	Announces updates or revisions to FOTG-Section I-Cost Data for WRP cost list; Section I – Reference Subjects – Economics, Agricultural Statistics, List of Economics and Agricultural Statistics References.
<a href="#">ND-100</a>	11/28/06	Transmits Watford City FO and Rolla FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List
<a href="#">ND-99</a>	11/16/06	Announces updates and revisions to FOTG – Section I– Cost Data for CRP, EQIP, EQIP-BF, EQIP-LRF, and WHIP cost lists and a revision to Cost Data – FY07; Section II Endangered Species Act document has updated web links; Section IV – Conservation Practices – Prescribed Grazing subfolder has been reorganized to separate Appendix's A, B, and C from the Prescribed Grazing Design and Installation Guide.
<a href="#">ND-98</a>	10/25/06	Announces updates and revisions to FOTG, Section I, Cost Data and Section IV Conservation Practices – 344 Residue Management, Seasonal Documentation Requirements.
<a href="#">ND-97</a>	10/17/06	Notice announces EQIP Irrigation, county specific excel workbooks and 2, 4, 6, 8-digit Hydrologic Unit Boundaries maps in <b>Section I</b> . Also revisions to Design, Installation, Check out and Documentation Guides, Statement of Work, Fact Sheets for conservation practices 390,643,644,645,646,647,657,658,659 in <b>Section IV</b> .
<a href="#">ND-96</a>	10/11/06	Transmits Fargo FO and Wahpeton FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
<a href="#">ND-95</a>	7/19/06	Transmits ND Agricultural Statistics 2006.
<a href="#">ND-94</a>	6/30/06	Announces revisions to <b>Sec. 1</b> ; Chapter 1 & 2 of the ND Irrigation Guide and is now located in Section 1 – Reference Subjects – Engineering – Irrigation Information – ND Irrigation Guide. ITC folder has been removed and references from within the folder have been relocated. CRP cost list has been modified. Herbaceous Vegetation Establishment Guide has been revised. <b>Sec II</b> : Reference subjects from Section I – ITC folder have been relocated to Section II. <b>Sec. IV</b> : 512,314, 338, 550, and 382 DIGs have been revised. The General Purpose Fence, Protective Fence, Power Fence and Diagonal Brace Fence sheets have been revised.
<a href="#">ND-93</a>	6/06/06	Announces the CRA Map with descriptions to Sec. I, II, and revisions to the Prescribed Grazing Design and Installation Guide in Section IV.
<a href="#">ND-92</a>	4/17/06	Announces the addition of 404 Permit Process and MLRA map to Section I and Prescribed Grazing and Tree Water Management Fact Sheets to Section IV.
<a href="#">ND-91</a>	3/17/06	Announces addition of Species Alternatives for Russian Olive in Conservation Planting Fact Sheet and Warm-Season Grass Cover Between Tree Rows Fact Sheet in Sections I and IV.
<a href="#">ND-90</a>	2/28/06	Announces additions/revisions to Sections I, II, III, and IV that include Upper Sheyenne Watershed cost list; Weed subfolder, update to WHEG workbook; addition of Fact Sheet on Effects of Trees/Shrubs on Nesting Birds; ESDs for MLRA 53B, range sites

## NORTH DAKOTA FIELD OFFICE TECHNICAL GUIDE NOTICE REGISTER

NOTICE NUMBER	DATE	SUBJECT
		descriptions for Altamont, Badlands, Border, Drift Prairie and Red River Valley vegetative zones; Web Soil Survey; National Cultural Resources Procedures Handbook link, McHenry County Exception to WSG; update to instructions on ND-CPA-52; revisions to 422-Standard; and 338 – Standard, Design & Install. Guide and Statement of Work.
<a href="#">ND-89</a>	1/09/06	Announces updates for FY 2006 Cost Lists for WRP and WHIP and the Nutrient Management Planners for Benson, Eddy, Nelson, Ramsey, and Richland counties. All updates are located in eFOTG, Section I.
<a href="#">ND-88</a>	12/06/05	Transmits Grand Forks FO and Park River FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
<a href="#">ND-87</a>	11/10/05	Announces updates to Section I - Cost Data – updating cost lists for EQIP, EQIP-LRF, EQIP-BF, and CRP. It also updates Section I – Laws by adding the Letter Opinion-2005-L-28 addressing the status of tree plantings being exempt from ND One-Call excavation laws.
<a href="#">ND-86</a>	11/04/05	Announces revisions and updates to Section I: Cost Data; adds link to Wetland Restoration, Enhancement, and Management Handbook, revises Windloss worksheets in Erosion Prediction; links ND Ag. Stats. – 2005 and to Section II: adds NCCS Web Soil Survey link.
<a href="#">ND-85</a>	10/07/05	Announces additions and revisions to Section I- Reference Subjects for Engineering and Hay, Pasture, Rangeland subfolders; adds State Technical Committee Notices to eFOTG, Section I – User Guide; adds Soil Field Guide for Identifying Ecological Sites to Ecological Site Descriptions subfolder; and adds a Tile Drain Systems memorandum to Section IV – 606 Subsurface Drain subfolder.
<a href="#">ND-84</a>	9/21/05	Announces additions and revisions to Section III, Quality Criteria, CSs and CSGs and to Section IV, Conservation Practices, Practice 329 (329A), 345 (329B) and 346 (329C).
<a href="#">ND-83</a>	9/13/05	Transmits LaMoure FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
<a href="#">ND-82</a>	8/12/05	Announces the removal of 7 reports and the addition of Interpretive Table reports to eFOTG-Section II-Soil Information.
<a href="#">ND-81</a>	7/29/05	Announces revision to Section I, Reference Subjects; Section III – Quality Criteria and NC-CPA 52; and Section IV – 455, 580, and 629 Standards and 645 and 380 Design and Installation Guides.
<a href="#">ND-80</a>	6/13/05	Announces revision to ND Pest Management Mitigation Effectiveness Guide and revision to NRCS Administrative Areas and Offices in ND map in Section I. Also additions and revisions to Firebreak, Pest Management and Use Exclusion in Section IV.
<a href="#">ND-79</a>	4/12/05	Announces addition of CSP cost lists for Apple Creek, Long Lake, Painted Woods, Square Butte, and Beaver Creek watersheds and North Dakota Pest Management Mitigation Effectiveness Guide to FOTG – Section I.
<a href="#">ND-78</a>	4/8/05	Announces revisions and additions to FOTG-Section II-Forage Suitability Groups (all 8 of them)
<a href="#">ND-77</a>	4/4/05	Announces addition of hyperlink to Agricultural Waste Management Field Handbook to Section I and Conservation Systems – Conservation System Guides to Section III of eFOTG.
<a href="#">ND-76</a>	3/28/05	Announces revision to FOTG, Section I, Cost Data, WRP cost list (adds TSP codes).
<a href="#">ND-75</a>	3/21/05	Transmits instructions on labeling published soil surveys, worded different than ND-74.
<a href="#">ND-74</a>	3/21/05	Transmits instructions on labeling published soil surveys.
<a href="#">ND-73</a>	3/22/05	Announces revisions to Section I, Wildlife Habitat Evaluation Guide and List of Soils References and Section IV – Vertical Drain and Salinity and Sodic Soil Management.
<a href="#">ND-72</a>	3/16/05	Transmits revisions to Section II, North Dakota Irrigation Guide, Chapters 1 and 2.
<a href="#">ND-71</a>	2/14/05	Transmits 2002 Census of Agriculture, ND, State and County Data Volume 1, Geographic Area Series Part 34 and Farm Machinery Economic Cost Estimates for 2005.
<a href="#">ND-70</a>	1/24/05	Announces links to Conservation Systems and Conservation System Guides for ND by county, located in Section III-eFOTG. Also announces revisions to CRA map, with a

NOTICE NUMBER	DATE	SUBJECT
		correction to CRA 53B.1 and 53B.2, located in Section I-Maps.
<a href="#">ND-69</a>	1/20/05	Announces revisions to FOTG, Section I, Cost Data, Erosion Prediction sections, and Agronomy section and to Section IV, conservation practices subsection.
<a href="#">ND-68</a>	1/13/05	Announces a revision to FOTG, Section I, Cost Data – WRP 2005 Cost List.
<a href="#">ND-67</a>	12/21/04	Transmits North Dakota Agricultural Statistics 2004 and Ranking North Dakota Agriculture – October 2004.
<a href="#">ND-66</a>	12/14/04	Announces updates to Section I – CRP and WHIP cost lists, adds a grower and a vendor list to Plant Materials Reference Subject and adds conservation practice standard and statement of work for Silvopasture Establishment – 381.
<a href="#">ND-65</a>	12/2/04	Announces updates to FOTG – Section I – Cost Data – FY 2005 cost lists for CRP and WHIP.
<a href="#">ND-64</a>	11/24/04	Announces revisions to FOTG – Section I – Cost Data- TSP cost lists for EQIP, EQIP-LRF, and EQIP-BF
<a href="#">ND-63</a>	11/16/04	Announces revisions to FOTG – Section I – Cost Data – Costs Lists for EQIP, EQIP-LRF, and EQIP-BF.
<a href="#">ND-62</a>	11/04/04	Announces revisions to FOTG – Section I – Cost Data, Cost Tables.
<a href="#">ND-61</a>	9/20/04	Transmits guidance on the report used in eFOTG to develop crop yields.
<a href="#">ND-60</a>	6/18/04	Announces additions to Section II and revisions in Section IV of the FOTG.
<a href="#">ND-59</a>	6/16/04	Announces two ways to obtain tabular soils data on eFOTG.
<a href="#">ND-58</a>	4/29/04	Announces an update to form ND-CPA-52e and a revision to conservation practice standard 512 – Pasture & Hayland Planting.
<a href="#">ND-57</a>	3/12/04	Announces the addition of WHIP Cost List 2004 to FOTG, Section I, Cost Data subfolder.
<a href="#">ND-56</a>	2/27/04	Announces addition of the National Coordinated Common Resource Area (CRA) Map of North Dakota. Located in Section I, Maps.
<a href="#">ND-55</a>	2/17/04	Announces revisions to Irrigation System, Sprinkler – 442, and Irrigation Water Management – 449. Located in Section IV, FOTG.
<a href="#">ND-54</a>	2/9/04	Announces revisions to EQIP and EQIP-LRF-BF Cost Lists 2004, and Cost Data 2004 located in Section I, FOTG
<a href="#">ND-53</a>	1/29/04	Announces revision to CRP Cost List 2004, Section I, FOTG
<a href="#">ND-52</a>	1/7/04	Announces revision to two conservation practice standards, Section IV of FOTG
<a href="#">ND-51</a>	12/15/03	Announces revisions to FOTG – Section I – Cost Data, Cost Tables.
<a href="#">ND-50</a>	12/9/03	Announces addition of 3 conservation practice standards to Section IV of FOTG.
<a href="#">ND-49</a>	12/4/03	Transmits update to Section I, Reference List by adding websites to Agronomy, Biology, Engineering, Hay-Pasture-Range, and Soils References.
<a href="#">ND-48</a>	11/14/03	Transmits North Dakota Agricultural Statistics 2003 and North Dakota’s Rank in US Agriculture – 2002 Rank Among States
<a href="#">ND-47</a>	10/17/03	Announces revision of 21 practices in Section IV of FOTG
<a href="#">ND-46</a>	10/29/03	Announces revisions to Section II – addition of ESC for MLRA 54; Section III – revises Table 1 – National and State Resource Concerns and Quality Criteria; Section IV – removes 532 – Pumped Well Drain
<a href="#">ND-45</a>	9/26/03	Transmits field office specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
<a href="#">ND-44</a>	9/16/03	Added Soil Conditioning Index Worksheet and Guide to Using the Soil Conditioning Index to Section 1, Reference Subjects, Soils section.
<a href="#">ND-43</a>	6/6/03	Announces revisions to Cost Data and adds cost lists for EQIP, CRP, WRP, EWP and a cost list named EQIP-LRF/BF (limited resource farmer/beginning farmer)
