

## CHAPTER 11

---

*CHAPTER XI - FARM MACHINERY COSTS AND CUSTOM  
RATES*

---

INTRODUCTION

*DATED MATERIAL--MATERIAL IN THIS CHAPTER SHOULD  
NOT BE MORE THAN 1 YEAR OLD.*

Farm machinery costs and custom rates are generally available from the Cooperative Extension Service, State Universities, Agricultural Statistics Service, State Boards of Agriculture, Agricultural Service businesses, i.e. Doane Agricultural Service, Inc., etc.. In so far as possible use these sources for this type of information. Contact your state economist if additional information is needed.

Examples of farm machinery costs and custom rates follow.
