

**GROWERS DECLARATION****OF VARIETY, ORIGIN, AND PRODUCTION FIELD INFORMATION FOR NON-CERTIFIED  
NATIVE GRASS SEED LOTS WITH VARIETY STATED ON THE SEEDTAG**

This growers declaration is necessary to ensure genetic background of the variety stated on the seedtag in order to utilize Non-Certified native grass seed lots with a variety stated on the seedtag, that originate **more than 350 miles south, 250 miles north and 300 miles east or west from the site where grass seed will be planted.** This declaration will be used to support granting a variance to Nebraska Field Office Tech Guide requirements, when certified grass seed lots, or non-certified grass seed lots with a variety stated on the seedtag within the mileage limitations listed above are not available.

**General Information About Grass Seed Lot Being Sold:**

Grass Species Common Name: \_\_\_\_\_ Variety Stated on Seedtag: \_\_\_\_\_

State or Province Where Grown: \_\_\_\_\_ County Where Grown: \_\_\_\_\_

Lot Number of grass seed being sold: \_\_\_\_\_

**Production Field Background Information:**

Year Production Field Was Planted: \_\_\_\_\_

Class of Seed Planted on production field (Certified, Registered, or Foundation Grass Seed. Plant Variety or Patent Protected Grass seed is also acceptable with the permission of the owner of the property rights): \_\_\_\_\_

Seed Source (location/where was seed obtained from): \_\_\_\_\_

Lot Number of original grass seed planted on this production field: \_\_\_\_\_

Separation distance is adequate to prevent cross pollination with a different variety or local population of the same species, or a different species that has the potential to cross pollinate with this variety: \_\_\_\_\_ (Circle)  
Yes No

Other Pertinent Production Field Information : \_\_\_\_\_

*I the Seed Dealer/Grower, certify that all production field background information stated above is truthful and accurate:*

Seed Dealer (original purchaser) or Grower: \_\_\_\_\_

By: (Signature) \_\_\_\_\_ Date: \_\_\_\_\_
