

Landowner Agreement To Implement Conservation Conditions

For addressing Endangered and Threatened Species and Species of Concern with US Fish and Wildlife Service (USFWS) and/or Nebraska Game and Parks Commission (NGPC).

Date:

To: **USDA NRCS**

Landowner:

Address:

City: State: Zip Code:

Client (if applicable):

Project Location

CMU/Fields/Legal desc.(as applicable):

Proposed action:

List the conservation practice and/or action, species, and any associated Conservation conditions required for plan/contract implementation. If the Conservation Conditions cannot be completely complied with then NRCS assistance must cease until the affects can be re-addressed.

Conservation Practice and/or Action	Species	Conservation Condition (list title and attach details)

I understand that the USDA Natural Resources Conservation Service (NRCS) has performed a programmatic consultation with U.S. Fish and Wildlife Service and Nebraska Game and Parks Commission and in order to implement the above conservation practices and/or action I must comply with the above listed Conservation Conditions.
