Inventory Job Sheet for NE-CPA-73 Comprehensive Nutrient Managements Plans

Instructions for use of NE-CPA-73

1. Complete all appropriate blanks for names, county, NRD and State.
2. Complete the NE-CPA-73 in its entirety and/or attach pertinent information from Client or TSP. Examples of pertinent TSP information include: construction approval application/design packets; animal inventories; waste storage inventories; Nutrient Management Plans; engineering design / layout and estimated quantities for storage facilities; and other pertinent information. Sections that are not applicable shall have an N/A placed in that section.
3. The cropping and fertilizer history section on the **NE-CPA-73** has been simplified to collect information by cropping sequence with similar cropping, yields and field operations rather than by each field. Also, the information section for existing waste control has been modified to include paved and unpaved lot sizes, foreign drainage acres, and side slope of storage structures.
