

# Instructions

## **Center Pivot Sprinkler Design Worksheet NE-ENG-59**

### Instructions for use of NE-ENG-59

This form is to be used to evaluate the design of a center-pivot system. It is an active fillable form to aid the system designer in the computations associated with the hydraulics of a simple conveyance pipeline and center pivot lateral. If you want to generate a blank copy of this worksheet to be hand filled out, scroll to the bottom of page 2 and press the – *Print a blank copy button*. Instructions on the use of this form can be found on page 684-36 of the National Irrigation Guide.
