

## 2016 EQIP Payment Schedule for Conservation Activity Plans

Payment components beginning with "HU" are higher payment rates for historically underserved program participants. Limited Resource Farmers/Ranchers and Socially Disadvantaged Farmers/Ranchers receive 90% of the estimated cost of the typical scenario. All other farmers and ranchers receive 75% of the estimated cost. The unit cost factors in these percentages.

Each CAP must include all the eligible fields that the producer controls, that follow the same management and are affected by similar resource concerns.
