

September 9, 2008

**SUBJECT: RELEASE OF NEW YORK FIELD OFFICE TECHNICAL GUIDE NOTICE NY-128**

**BACKGROUND**

This notice transmits changes to the New York Natural Resources Conservation Service (NRCS) electronic Field Office Technical Guide (eFOTG) and instructions for filing new or revised Conservation Practice Standards contained within National Notices 144. The documents listed below have been posted to the New York electronic Field Office Technical Guide (eFOTG) under Section 4.

**DELETIONS**

Deleted the following National Standards contained in National Release Notice 144:

**Agrichemical Mixing Facility (702) dated 04/1998      Fence (382) dated 03/2003**

**ADDITIONS**

The New York Conservation Practice Standards Committee, in consultation with partner agencies has reviewed the National documents and/developed the following New York conservation Practice Standards and related documents:

**Agrichemical Handling Facility (309) dated 9/2008      Fence (382) dated 9/2008**

**FILING INSTRUCTIONS**

It is the policy of NRCS in New York to use the eFOTG website as the official reference for current Conservation Practice Standards, Specifications, Guidelines, Job Sheets, and related material. Those offices maintaining a hard copy of the New York Field Office Technical Guide and/or the National Handbook of Conservation Practices (NHCP) should (1) log this notice in the New York Directives Tabulation Sheet in Section I and (2) file the new or revised document(s) in Section IV of the FOTG. Out of date practice standards and related documents are archived in the State Office.

Please contact the State Resource Conservationist or appropriate staff members if you have any questions about this notice.
